Hi Teacher Friends,
I hope you and your students enjoy this
holiday ornament craftivity!

To have students complete this activity:

- 1) Take pictures of each of your students and cut around pictures to leave just student faces/hair.
- 2) Give each student the photo of their face.
- 3) Students can color the elf clothing using markers, crayons, or paint.
- 4) Students can use the "Elf Yourself" template page to glue their photo and add the elf clothing they colored in an organized way. (You can print this template on cover paper/cardstock for extra elf ornament durability.)
- 5) If you want to send this home as an ornament keepsake have students cut around the outside of their completed elf, laminate each elf, hole punch on top (through the hat), and add a ribbon or yarn for hanging as an ornament. **DON'T FORGET** to add student names, grade, and year on the back!

ELF YOURSELF

Use the elf parts below to elf yourself. Be sure to add legs, arms, an outfit, and a hat to your photo.
