One copy per student on colored construction paper

Happy Mother's Day!

Put glue here to glue the top and bottom part of the cupcake together

One copy per student on brown construction paper

Copy on red construction paper. Make enough copies so each student only gets 1 cherry below.

Make a copy of the two coupon pages on white copy paper. The "My Mother is the Sweetest" coupon is the cover page for the book.

Example

I made an example of the project. Since I was at home and did not have access to a copier it is on plain old white copier paper. Students could make it the same way and color the pages in if construction paper was not available.

My plan is to copy the pages on color copier paper EXCEPT for the coupons. The students can decorate and color in the coupons.

I will also hole punch different colors of construction paper for "sprinkles" for the top of the cupcake.

To attach the coupon book to the cupcake I simply used a stapler so the mother can tear off the coupons as needed.

Here is a picture of the final product:
