Ireland's "Clowns" of the Sea

January 30, 2025
6:00-7:30 pm

Attention All Families With Children Aged 2-12 years old

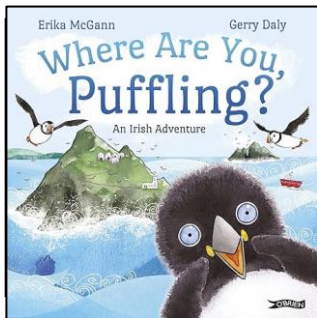

What do you *know* about Ireland, its people, its places, its animals, its natural features? Are you *interested in learning* about Irish culture & the amazing things that make Ireland a truly unique place? Do you *love* animals? Are you *curious* about places & nature? Do you *want to learn* more about what you can see or do in Ireland? Then this event is for you!

Join a certified K-12 Teacher & Irish American Club member in a night of discovery & fun! Together, you will...

- Learn about animals native to Ireland
- Explore Ireland's geography
- Learn basic Irish (*Gaelic*) vocabulary
- Enjoy *fun-tastic* story time
- Create a craft to take home
- Enjoy a snack
- Get fun activities & resources to take home & share with others!

You do not need to be Gaelic League members to participate

A curious little "puffling" lives on Skellig Michael. But her puffin parents can't find her in their burrow. Where could she be? Luckily, all the Skellig animals and birds are there to help.

To ensure that enough materials, snacks, & resources are available,

pre-registration is highly recommended

Those who show up on event night without registering *before-hand* may not receive the same supplies, snacks, & resources as those who pre-register.
