

HELLO!

I'm Lacie

I've been an environmental educator for 8 years. I teach grades K-12 through activity-based learning. I help reinforce standards of learning with fun, hands-on STEM activities. I love inspiring others to live with the environment in mind and helping bring environmentalism to life in homes and classrooms around the world.

I sincerely hope this product is the perfect fit for your needs. THANK YOU!

-Lacie, Teach Go Green

THANK YOU FOR PURCHASING MY PRODUCT!

The Lorax

GROUP DISCUSSION

QUESTIONS

"Unless someone like you
cares a whole awful lot,
nothing is going to get
better. It's not."

The Lorax

GROUP DISCUSSION QUESTIONS

Who is the Lorax?
What does he represent? Who is the once-ler? What does he represent?

1

What was the natural resource the Once-ler used? What product did he make with this resource? Could he have made this product without using this resource? How?

2

What was the environment like before the once-ler arrived?
Was it a type of environment you would want to live in?

3

What was the environment like after the once-ler chopped down trees? Did it have any impact on the health of the Lorax?

4

How did the once-ler's business impact the Barba-loots? The Swomee-Swans? The Humming-Fish?

5

How do you think the Once-ler felt after the last Truffula Tree was chopped? Do you think the once-ler learned his lesson? If so, what was the lesson?

6

The Lorax

GROUP DISCUSSION QUESTIONS

Why do you think the Lorax was so mad at the Once-ler? Why do you think the Once-ler didn't listen to him?

7

Why do you think the Once-ler felt like he had to grow bigger and bigger? Do you think the Once-ler was wrong for continuing to grow?

8

What does the Lorax mean when he says "he speaks for the trees?" In the real world do we have a responsibility to speak for the trees?

Why or why not?

9

The Lorax says "Sir! You are crazy with greed." What is greed? Do you agree with the Lorax? Why or why not?

10

How much does the Once-ler pay for each Truffula tree he uses? How much does he charge for each Theed? Is there an environmental cost to making theeds? What is it?

11

What are some of the sustainable strategies the Once-ler gives to the boy in the story? Can you think of any others?
